Cold Blood 2017-11-16

when bunny pederson disappears after being a bridesmaid at her best friend s wedding the police call for volunteers to help search for her one of them a travelling shirt salesman discovers the woman s amputated finger and the missing person inquiry becomes a murder investigation in the absence of a body the salesman justice trip is courted by the media a position he d learned to enjoy from a similar experience some years previously paris murphy a detective with the minneapolis st paul s police department remembers trip from her schooldays and isn t convinced by his act as a caring citizen especially when bunny s body is found in an area trip had visited the case isn t strictly in her jurisdiction but it is a welcome distraction from her failing marriage and her guilt over an affair she knows isn t really over justice trip was ugly still lived with his invalid father in a trailer park and his c v was a repetitive litany of firings from dead end jobs but he was very successful at killing people and getting away with murder until paris murphy crosses his path

Cold Blood 1976

in a single night kalila lost everything her wife their son and even her life now forced to live as the very monster she despises she s hunting down the vampire responsible no matter how long it takes or how many other vampires she has to kill along the way dorenia is all too familiar with kalila s story her own vampiric nemesis has tormented her for over a century as retribution for his mistake in turning her as an information broker in toronto the city of fiends she s managed to stay one step ahead by gathering all the intel she can and never staying in the same place very long when kalila inadvertently saves dorenia s life the two strike up an unlikely alliance maybe together they ll have a chance of taking down the vampires who have eluded them all these years and maybe in each other they can find a love worth living for

Cold Blood 1952

cold blood had taken a few months to write originally and this was an early novel this novel was science fiction mickey king kong a vampire novel had been classified as hitler wins norma shearer the oscar winner and the protagonist had been a vampire mickey king kong the world s biggest monster had been turned into a vampire by norma shearer the earth had been destroyed and so had all the other celestial bodies except the moon which turned to ice most beings don t have a mouth fangs teeth or beak this novel has the most racial slurs and usages of profanity in a book debatably the novel also includes the character of vlad the impaler cold blood had taken a few months to write originally and this was an early novel this novel was science fiction mickey king kong a vampire novel had been classified as hitler wins norma shearer the oscar winner and the protagonist had been a vampire mickey king kong the world s biggest monster had been turned into a vampire by norma shearer the earth had been destroyed and so had all the other celestial bodies except the moon which turned to ice most beings don t have a mouth fangs teeth or beak this novel has the most racial slurs and usages of profanity in a book debatably the novel also includes the character of vlad the impaler

Cold Blood 2017-09-07

dr cheryl barrett likes to think she got into medicine to help people to save lives while that may be true to a certain extent the real reason has been chasing her since her father s death she s just never been able to face it and has never really wanted to tonight will not only test her as a doctor but it will test her as a person the world will change in an instant and so will she you see for the next few hours no one will die and no one will be born anywhere on earth stranger still this begins at midnight on christmas day by time zone many people that by all accounts should be dead will not be they will have no

vital signs no heartbeat no body temperature and no brainwaves technically not alive but obviously not dead they will walk talk and move like they always have for the most part cold blood the end more dead than human more human than dead this story appears in the undead nation anthology along with 13 other ghoulish tales check it out

Cold Blood 2022-04-12

Cold Blood 2010

the russian revolution is breaking out all around him but charlie doig has a private war to fight even if he dies in the attempt he s going to track down and kill prokhor glebov the bolshevik who raped and tortured his beautiful wife elizaveta certain that glebov will sooner or later turn up at lenin s side he and kobi his mongolian henchman make their way to st petersburg there amidst the chaos of the revolution charlie discovers that glebov has been put in charge of the political re education of the tsar and his family in ekaterinburg the chase begins there follows an adventure story of the sort they don t write any more having captured an armoured train charlie and the ragtag private army he has recruited fight their way towards siberia near kazan he hears rumours that the tsar s gold reserves are in the city and that glebov is also after them he determines that he ll avenge elizaveta and grab the gold in one swoop book jacket

Cold Blood III 1990

brilliantly gripping cold blood will have you hooked from the first page and holding your breath to the heart stopping and shocking ending

In Cold Blood 2007

a samurai destined for greatness embarks on her first mission in ancient japan a land of stunning beauty and unspeakable brutality a warlord s only daughter yamabuki trained since childhood as a samurai must travel through realms controlled by rival factions on a mission known only to her father veiled in the guise of an ordinary warrior not even revealing that she is female she crosses the water between two great isles only to find the passengers are not who they seem some want her dead others want her because she s a woman she must fight for her honor her duty and her clan blood will be spilled before it is over

In Cold Blood 2022

suspicion and fear surround the mysterious disappearance of a movie star s daughter the race to claim the reward for finding anna louise caley dead or alive spirals into a deadly voodoo trail in the french quarter of new orleans in her desperation to succeed in this her first case as a private detective ex lieutenant lorraine page is caught in a web of deceit and violence that threatens to drag her back into the murky world she has fought so hard to escape continuing the investigation means risking everything but the million dollar bonus is one hell of an incentive not to back off from a case that could kill her

it doesn't even have a name and he's not even a very good detective but he's never let that stop him before the outrageous eighties rap stars like St. George and Dr. Ice are beginning to make millions in record deals and if they don't kill each other it might be the start of a new dynasty

Cold Blood IV 2009

three people four personalities and my boss's mom is the queen of the winter court can life possibly screw with me a little more after an exciting month with three assassination attempts on my client and three frantic weeks trying to get enough questions answered to make a life altering decision is a peaceful week in Spain with my best friend too much to ask apparently Ronan's mom has other ideas our security team was taking shape but we weren't there yet the week was supposed to be a shakedown cruise for our new staff members more or less instead we are pitchforked into a peace summit what could happen anytime you mix vampires and fae it's a powderkeg and the fuse is very short those questions I mentioned well the answers just came right up and smacked me in the face too bad Ronan was caught in the crossfire when you fall into the sewers of Paris and ruin your best leather jacket and boots then get dragged to a gala as your client's plus one what do you wear I was shortly to wish that was my worst problem go up and click read for free or buy now and find out if mothers really know best

Cold Blood 2011-11-01

Aidan Snow thought he could escape his past but now it's back with a vengeance

Cold Blood 2019-09-06

previously published as Our Vinnie in Cold Blood can either be read as a full length ebook or in 3 serialised ebook only parts this is part 2 of 3 you can read part 2 two weeks ahead of release of the full length ebook and paperback

Cold Blood 2021

after the atomic bombing at the end of World War II anxieties about survival in the nuclear age led scientists to begin stockpiling and freezing hundreds of thousands of blood samples from indigenous communities around the world these samples were believed to embody potentially invaluable biological information about genetic ancestry evolution microbes and much more today they persist in freezers as part of a global tissue based infrastructure in life on ice Joanna Radin examines how and why these frozen blood samples shaped the practice known as biobanking the Cold War projects Radin tracks were meant to form an enduring total archive of indigenous blood before it was altered by the polluting forces of modernity freezing allowed that blood to act as a time traveling resource Radin explores the unique cultural and technical circumstances that created and gave momentum to the phenomenon of life on ice and shows how these preserved blood samples served as the building blocks for biomedicine at the dawn of the genomic age in an era of vigorous ethical legal and cultural debates about genetic privacy and identity life on ice reveals the larger picture how we got here and the promises and problems involved with finding new uses for cold human blood samples

Cold Blood 1990-07-01

previously published as our vinnie the infamous canterbury estate in bradford a hotbed of crime drink and drugs was a law unto itself in the 70s so when one of their own was wronged in any way the community always had its own way of dealing with it
