Harassment of Air Force Employees

1986

can a u s president decide to hold suspected terrorists indefinitely without charges or secretly monitor telephone conversations and e mails without a warrant in the interest of national security was the george w bush administration justified in authorizing waterboarding was president obama justified in ordering the killing without trial or hearing of a u s citizen suspected of terrorist activity defining the scope and limits of emergency presidential power might seem easy just turn to article ii of the constitution but as chris edelson shows the reality is complicated in times of crisis presidents have frequently staked out claims to broad national security power ultimately it is up to the congress the courts and the people to decide whether presidents are acting appropriately or have gone too far drawing on excerpts from the u s constitution supreme court opinions department of justice memos and other primary documents edelson weighs the various arguments that presidents have used to justify the expansive use of executive power in times of crisis emergency presidential power uses the historical record to evaluate and analyze presidential actions before and after the terrorist attacks of september 11 2001 the choices of the twenty first century edelson concludes have pushed the boundaries of emergency presidential power in ways that may provide dangerous precedents for current and future commanders in chief winner crader family book prize in american values department of history and crader family endowment for american values southeast missouri state university
