Johanna Lindsey 1994-12 los malory son una familia de granujas apuestos y aventureros libertinos y damas con carácter una saga romántica sobre la aristocracia británica del siglo XIX creada por el talento incomparable de Johanna Lindsey una de las autoras más populares del género amable y tirano es la tercera entrega de la célebre saga de los Malory con el corazón destrozado Georgina Anderson está desesperada por regresar a su hogar en América deja sus penas en las costas de Inglaterra y en un alarde de audacia aborda un barco norteamericano disfrazada de camarero para servir al capitán Malory James Malory un atractivo ex pirata y oveja negra de una orgullosa familia había jurado que ninguna mujer lo conduciría al matrimonio pero en alta mar sus convicciones tambalearán ante la belleza de Georgina cuyo amor por la libertad y la aventura rivalizarán con los de él

Johanna Lindsey 2014-03-17 19 [unreadable text]

Amable y tirano (Saga de los Malory 3) 2004-05-20 a 1 new york times bestselling author presents her 45th novel this one featuring dashing rogue Boyd Anderson and the American lady who has one very good reason to dislike him although he is determined to give her many more reasons to love him

[unreadable text] 2024-04-23 originally published in 1984 reading the romance challenges popular and often demeaning myths about why romantic fiction one of publishing's most lucrative categories captivates millions of women readers among those who have disparaged romance reading are feminists literary critics and theorists of mass culture they claim that romances enforce the woman reader's dependence on men and acceptance of the repressive ideology purveyed by popular culture Radway questions such claims arguing that critical attention must shift from the text itself taken in isolation to the complex social event of reading she examines that event from the complicated business of publishing and distribution to the individual reader's engagement with the text Radway's provocative approach combines reader response criticism with anthropology and feminist psychology asking readers themselves to explore their reading motives habits and rewards she conducted interviews in a midwestern town with forty-two romance readers whom she met through Dorothy Evans a chain bookstore employee who has earned a reputation as an expert on romantic fiction Evans defends her customers' choice of entertainment reading romances she tells Radway is no more harmful than watching sports on television we read books so we won't cry is the poignant explanation one woman offers for her reading habit indeed Radway found that while the women she studied devote themselves to nurturing their families these wives and mothers receive insufficient devotion or nurturance in return in romances the women find not only escape from the demanding and often tiresome routines of their lives but also a hero who supplies the tenderness and admiring attention that they have learned not to expect the heroines admired by Radway's group defy the expected stereotypes they are strong independent and intelligent that such characters often find themselves to be victims of male aggression and almost always resign themselves to accepting conventional roles

in life has less to do radway argues with the women readers fantasies and choices than with their need to deal with a fear of masculine dominance these romance readers resent not only the limited choices in their own lives but the patronizing attitude that men especially express toward their reading tastes in fact women read romances both to protest and to escape temporarily the narrowly defined role prescribed for them by a patriarchal culture paradoxically the books that they read make conventional roles for women seem desirable it is this complex relationship between culture text and woman reader that radway urges feminists to address romance readers she argues should be encouraged to deliver their protests in the arena of actual social relations rather than to act them out in the solitude of the imagination in a new introduction janice radway places the book within the context of current scholarship and offers both an explanation and critique of the study's limitations

No Choice But Seduction 2009-11-18 in 1 new york times bestselling author johanna lindsey's captivating regency romance an innocent young lady's first brush with royal court intrigue lands her at the altar alongside one of london's most notorious rogues for lady rebecca marshall a whirlwind of excitement begins when she becomes a maid of honor at the court of queen victoria but when rebecca unknowingly steps into the rivalry between the queen's spymaster and a noblewoman who uses the maids as courtly spies she is soon entangled in a web of deceit with the charming marquis rupert st john the devastatingly handsome ne'er do well is the cousin of raphael locke with whom rebecca was once infatuated he's also a secret agent of the crown who leads a double life certain that guileless rebecca is spying on him rupert seduces her then forced to wed he believes she has set a trap of the worst sort in order to marry into his powerful family but as he comes to know rebecca's true heart his vow of revenge and infidelity becomes a desire to share many passionate nights only with his beautiful wife

Reading the Romance 2009-06-16 charismatic twins amanda and marlan laton sent to live with their aunt on a sprawling 1870s texas ranch find themselves competing for the love of cowboy neighbor chad kinkaid
